

ZHONGTONG

The Ultimate Long-Distance Powerhouse

55-Seat Premium Coach with Euro VI Cummins Efficiency

Elite Travel & Maximum Capacity

Experience the definition of a dependable coach. This Euro VI-compliant tourer gives you a technological edge with full disc brakes, ESC, and ASR for total control. Its innovative integral construction, featuring an expansive 1,960mm interior height and front/middle dual-door access, provides a superior sense of space and accessibility. Paired with a precision-tuned air suspension and Allison automatic transmission, it ensures a smooth, fatigue-free journey on even the longest cross-country routes. Choose a vehicle built to last, built to protect, and built to perform.
