

# ZHONGTONG

## *The Pinnacle of Luxury Travel*

*Where Uncompromising Safety Meets World-Class Comfort*

## *Redefining Versatile Performance*

*Discover the perfect synergy of performance and value with our Euro VI coach. Designed to be the most versatile asset in your fleet, this vehicle combines exceptional fuel economy with cutting-edge intelligence, featuring a 360° surround-view system and a full digital cockpit for maximum safety. Whether you require a luxury 25-seat configuration or a high-capacity 39-seat shuttle, the interior is fully customizable to match your business needs. With premium air suspension for superior comfort and a robust chassis for long-term durability, it delivers a high-ROI solution without compromising on quality or passenger experience.*
