## **MORE CAPACITY. MORE OPPORTUNITY**

*A Versatile 11-Metre Coach for Modern Passenger Transport*

## **Comfort Designed Around Your Service**

*Designed for New Zealand touring and charter operations, this 320HP Euro VI coach brings together generous capacity, refined comfort and dependable road performance. Choose the standard 2+2 layout for up to 49 passengers, or create a more exclusive travel experience with 34 luxury genuine-leather seats arranged in a spacious 2+1 configuration. An underfloor luggage compartment of at least 8.6 m<sup>3</sup> provides ample room for touring bags, while independent front suspension helps deliver a smooth and composed journey.*
